

APPENDIX C - Property Maintenance Grant (PMG)

Property Maintenance Grant (PMG)

- State Schools receive a property maintenance grant to pay for maintenance work on Ministry-owned buildings and facilities.
- We have provided total PMG funding by school for the 2019 school year. Note that back payments are also paid to schools where recorded property data was incomplete or incorrect at the time of PMG calculations. The totals provided may include back payments for a prior year that was paid to a school in 2019.
- International Students are not considered in PMG Funding calculations.
- Funding is calculated based on the external footprint of a building, square metres of painted exterior walls, swimming pool capacity, and corrosion factor and isolation factor adjustment if the school is eligible.
- Further information: [Property Maintenance Grant for state school maintenance work – Education in New Zealand](#)

Released under the Official Information Act 1982
