All students who live within the home zone described below shall be eligible to enrol at the school.

The boundary continues in a southerly direction towards Maroheno Loop Road and turns west heading towards Putawa and Ohautira Roads (these roads are not in-zone).

The zone extends south crossing the Mangakara Stream towards the north-western boundary of the Karakarariki Scenic Reserve before the zone moves east where it meets the Waipa River on Waipa Heights Road.

The boundary follows the Waipa River north. All Waipa Heights Road, Te Puroa Road, Clark Road and Kauri Ridge Drive addresses are in-zone.

Continuing along the Waipa River until it reaches a point adjacent to Hillview Street, the zone extends east, crossing the river and continuing along Hillview Street to include all even numbered addresses on Hillview Street (odd numbered addresses are not in-zone) and all addresses on Windsor Avenue, and extends through the access-way to Bradley Street (even numbered Bradley Street addresses are in-zone, odd numbered Bradley Street addresses are not in-zone).

From Bradley Street the boundary follows the access way to Westgate Street and then follows Westgate Street to Newton Street. All Westgate Street addresses between Fuller and Durham Streets are in-zone, but only even-numbered addresses between Durham and Newton Streets. Newton Road is not in-zone.

Perpendicular to Newton Street (Herschel Street addresses below Newton Street only are in-zone) the boundary crosses the Main Trunk Railway to Great South Road, and extends along Great South Road to 188 Great South Road (only addresses 188 Great South Road and below are in-zone) and then Thomas Street at 18 Thomas Street (only addresses 18 and below Thomas Street are in-zone) to the Waikato River.

The boundary follows the Waikato River until a point perpendicular with Driver Road and crosses River Road to include addresses 2658 River Road and above only. The zone includes Driver Road West and Driver Road addresses to the intersection with Kanuka Road (Kanuka Road is not in-zone).

From the Driver and Kanuka Road intersection the boundary extends north-west to the intersection of Jew Road and Great South Road (including all Jew Road addresses), then follows Great South Road to Old Taupiri Road (Fox Road is not in-zone, Old Taupiri Road is in-zone). Only Great South Road addresses below Old Taupiri Road are in-zone.

The boundary meets the Waikato River nearest the Great South Road and Old Taupiri Road intersection and follows the river north to 669 Hakarimata Road, where the zone began.

Note: Both sides of all streets and roads included in the above description are included unless otherwise stated.

Proof of residence within the home zone will be required.

Each year, applications for enrolment in the following year from in-zone students will be sought by a date which will be published in a daily or community newspaper circulating in the area served by the school. This will enable the board to assess the number of places which can be made available to students who live outside the home zone.

Out of Zone Enrolments

Each year the board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by notice in a daily or community newspaper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolment will be processed in the following order of priority:

- | | |
|------------------------|---|
| First Priority | this priority is not applicable at this school because the school does not run a special programme approved by the Secretary for Education. |
| Second Priority | will be given to applicants who are siblings of current students. |
| Third Priority | will be given to applicants who are siblings of former students. |
| Fourth Priority | will be given to any applicant who is a child of a former student of the school. |

Fifth Priority will be given to any applicant who is either a child of an employee of the board of the school or a child of a member of the board of the school.

Sixth Priority will be given to all other applicants.

If there are more applicants in the second, third, fourth, fifth or sixth priority groups than there are places available, Selection within the priority group will be by ballot conducted in accordance with instructions by the Secretary, under Schedule 20, Clause 3 (1) of the Education and Training Act 2020. Parents will be informed of the date of any ballot by public notice in a medium appropriate to the area served by the school.

Applicants seeking second or third priority status may be required to give proof of a sibling relationship.
