Each year, applications for enrolment in the following year from in-zone students will be sought by a date that will be published by public notice in a medium appropriate to the area served by the school. This will enable the board to assess the number of places that can be made available to students who live outside the home zone.

Out of Zone Enrolments

Applications for enrolments will be processed in the [following order of priority](#):

1. **First priority** is not applicable at this school because the school does not run a special programme approved by the Secretary for Education.
2. **Second priority** must be given to any applicant who is the sibling of a current student of the school.
3. **Third priority** must be given to any student who is the sibling of a former student of the school.
4. **Fourth priority** must be given to any applicant who is the child of a former student of the school.
5. **Fifth priority** must be given to any applicant who is a child of an employee of the school's board or a child of a member of the school's board.
6. **Sixth priority** must be given to all other applicants.

Before the application deadline associated with each pre-enrolment period, a Board must, by public notice in a medium appropriate to the area served by the school:

- confirm the already advertised dates for the receipt of applications and for the holding of the ballot.
- state the likely number of out of zone places that remain available.

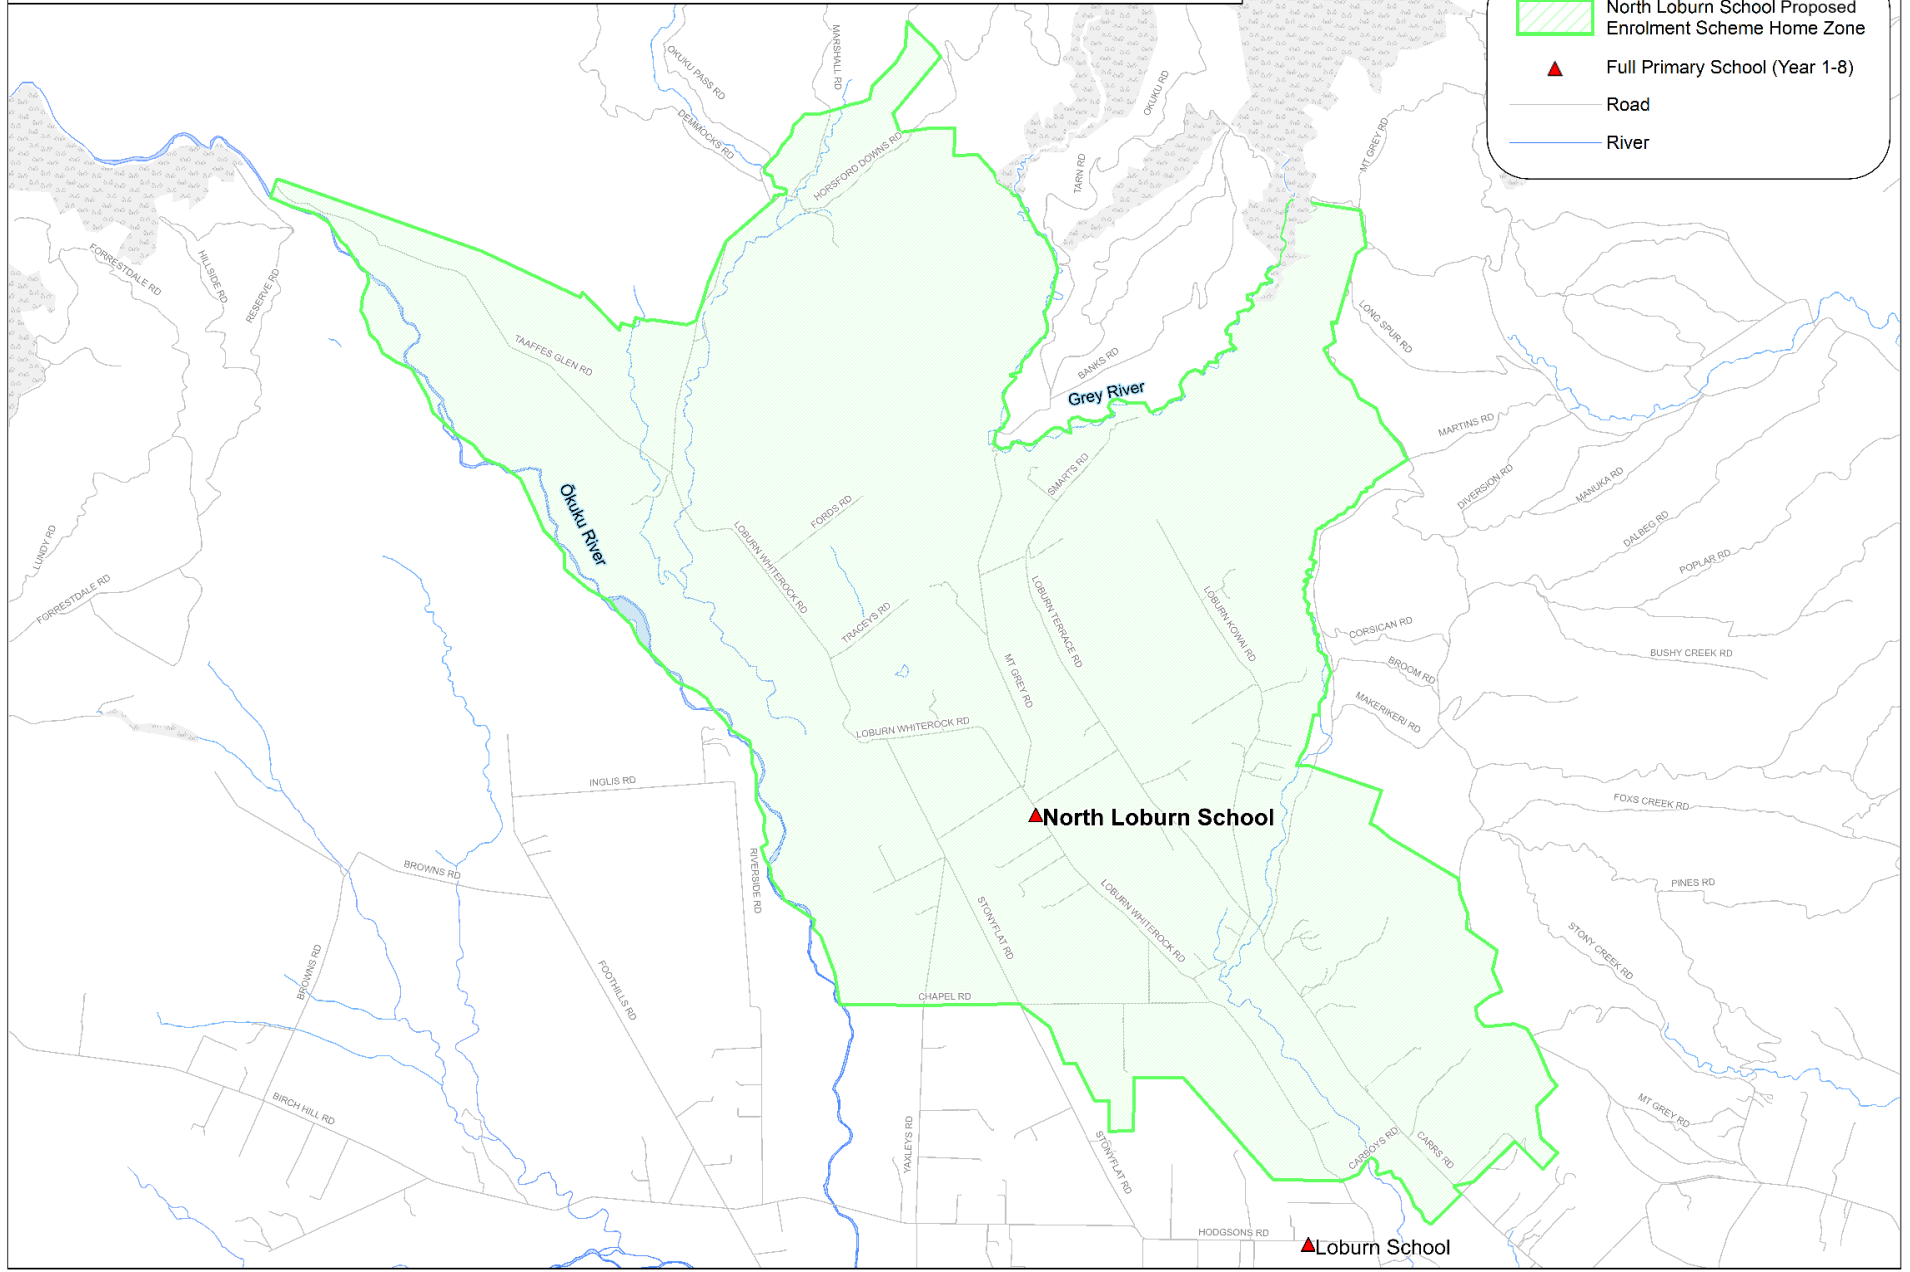

If there are more applicants in any priority group than there are places available, selection within the priority group will be by ballot conducted in accordance with [instructions by the Secretary](#), under [Schedule 20, Clause 3 \(1\)](#) of the Education and Training Act 2020. Parents will be informed of the date of any ballot by public notice in a medium appropriate to the area served by the school.

Applicants may be required to give proof of In Zone address, or proof to support their application if seeking enrolment under the Out of Zone priorities.

The guidelines for development and operation of enrolment schemes are issued under Schedule 20, Clause 3 (3) of the Education and Training Act 2020 for the purpose of describing the basis on which the Secretary's powers in relation to enrolment schemes will be exercised
