Ministry of Education

Attendance Service

- › Work with chronically absent and non-enrolled students and their families to identify and address barriers to attendance. This includes:
 - › agreeing changes to be made,
 - › addressing some unmet basic needs impacting on attendance, and
 - › referring students to other services as necessary
- › Collaborate with schools so that
 - › they remain engaged as plans are developed and implemented, and
 - › they can continue to provide support as the student increases their attendance at school, and the additional Attendance Service support is withdrawn

Regional and National teams

- › Facilitate involvement of other agencies
- › Support schools to access other education pathways for a student where appropriate
- › Consider system-wide initiatives for high-risk attendance
- › Reprioritise regional support resources to where most needed/effective
- › Undertake Ministry-led prosecution when considered appropriate if supports are offered and not taken up, when requested by schools
