This priority category is not applicable at this school because the school does not run a Special programme approved by the Secretary.

Out of Zone Enrolments

Each year the School Board will determine the number of places which are likely to be available in the following enrolment period(s) for the enrolment of students who live outside the home zone. The Board will publish this information by public notice in a medium appropriate to the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolments will be processed in the following order of priority:

Parents will be informed of the date of any ballot by public notice in a medium appropriate to the area served by the school.
