Out of zone Enrolments

Each year the board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by public notice in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolment will be processed in the following order of priority:

- **First Priority** must be given to students who have been accepted for enrolment in the following special programme(s) run by the school and approved by the Secretary of Education up to the maximum rolls set for each programme (where applicable)

If there are more applicants in the second, third, fourth, fifth or sixth priority groups than there are places available, selection within the priority group must be by ballot conducted in accordance with instructions issued by the Secretary under Schedule 20, Clause 3 of the Education Act 2020. Parents will be informed of the date of any ballot by appropriate public notice.
