Out of zone applications

Each year the board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by public notice in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolment will be processed in the following order of priority:

- **First Priority** must be given to students who have been accepted for enrolment in the following special programme(s) run by the school and approved by the Secretary of Education up to the maximum rolls set for each programme (where applicable)
- **Second Priority:** must be given to any applicant who is the sibling of a current student of the school.
- **Third Priority:** must be given to any student who is the sibling of a former student of the school.
- **Fourth Priority:** must be given to any applicant who is a child of a former student of the school.
- **Fifth Priority:** must be given to any applicant who is a child of an employee of the school's board, or a child of a member of the school's board.

Parents will be informed of the date of any ballot by appropriate public notice.
