(Priorities Updated)

The school offers a programme of study for students with intellectual disabilities who comply with the following eligibility criteria.

The maximum number of students that can be accommodated in the programme at any one time is 21.

Eligibility

An interview will be necessary for all applicants as strong family support is an essential part of the programme.

Students who meet the criteria for enrolment in the Special Programme and live within the home zone, will be enrolled ahead of applicants from out of zone.
